

YOUR 2018 WEDDING AT THE WELLBEING FARM - THE NITTY GRITTY DETAILS

Here at The Wellbeing Farm, we want you to have a truly personal day filled with your own choices guided and supported by your friendly wedding team.

We know choosing a wedding venue is a massive decision so we have tried to make it as easy as we can for you in our seven step guide to costing your wedding at The Wellbeing Farm. You can either work out a quote yourself using this guide, or better still come and meet us and we can give you a personalised quote when you visit.

The seven steps to costing and planning your wedding are:

Step 1: Choose your date which will give you the farm hire fee

Step 2: Add the Wedding Ceremony set up charge (if applicable)

Step 3: Choose your canapés (optional) and a wedding breakfast package

Step 4: Choose your evening food

Step 5: Check you have met the minimum guest requirements (as you have the whole farm exclusively to yourself).

Step 6: Choose your drinks (our drink package offers the best value).

Step 7: Think about adding the extra sparkle to make your day even more special.

So let's take you through each step... By the way, all our prices include VAT.

Step 1: Choose your date which will give you the farm hire fee...

As every wedding held at the farm is exclusive, there is a one off hire fee which includes everything you need for a country farm wedding at The Wellbeing Farm. We don't deliver 'cookie cutter' weddings, everything we do is unique and personalised to the couple.

If you are planning to exchange your vows with us, there is a separate wedding ceremony set up charge. Other than those charges, all you then need to do is to choose your food packages and drink and then create the magic through your flowers, music and of course the dress....

The **Farm Hire Fee** gives you exclusive use of the entire site for the day. This includes:

- An experienced Wedding Coordinator to run your day and act as your Toastmaster – this means that we take on the stress of ensuring your wedding runs smoothly and your role is to relax, chat to your guests and enjoy your day;
- tables, chairs, crockery, cutlery, glasses, waiting on and bar staff to ensure your wedding is a success – no additional extra charges and everything is included;
- a music system for background music playlists and microphone for speeches – no need to face extra hire charges for these items;
- fully licensed well-stocked bar which operates on either a cash, credit card or tab basis (full amount payable on the night)- packed with a range of unique refreshments so no need to hire bars, beer pumps or additional staff;
- large car and coach park (locked at night) – have a drink and don't worry about leaving cars overnight;
- for weddings you will be allowed access to the farm from 10:00am on the day of your event until 1am on the following day. **If** the venue is not booked the previous day, you are welcome to set up then;
- our farm is wheelchair friendly and has parent and baby facilities;
- the extra sparkle which we provide as part of the unique Wellbeing Farm - our venue is perfect for creative couples who want to personalise their wedding without facing huge hire fees – we literally give you access to our Prop Shed where you can find an Aladdin's Cave of props FREE for you to use to personalise your wedding – this will literally save you hundreds of pounds – here's just an example of what is on offer:
 - rustic vases for flowers;
 - twinkling night lights and disco lighting for the Wedding Barn;
 - an easel to display your seating plan;
 - use of our hand-made decorations and bunting to personalise your wedding;
 - use of our vintage props for your photos –
 - indoor and outdoor games for your guests to enjoy from giant jenga and Connect Four, to sack races and tug of war – we've something to suit all ages to ensure you have a fun packed day;
 - bow tie wearing Llamas and donkeys to make your wedding unique and memorable;
 - provision of a cake table, knife and rustic stand for your wedding cake and we will serve it for you – no additional hire charges for these items;
 - a quirky Lancashire Brew Station for unlimited mugs of tea and coffee – sometimes you could kill for a cup of tea, well at our venue you just help yourself;
 - the use of a rustic candy cart together with vintage scales, jars and scoops – again something else to make your wedding memorable;
 - a log burner, huge rustic cable reels and blankets for outside fun around the fire;
 - during the summer we can also provide you with deck chairs for the front lawn.

Step 1: Farm Hire Fees for 2018:

Winter: 15th October – 31st March:

Sunday to Thursday: £2,500 Friday, Saturday: £3,500

Summer: 1st April – 14th October:

Monday to Thursday: £3,500 Friday, Saturday: £4,500

Bank holiday Sundays are priced as Saturday's.

Please note if you hire a tipi independently, you will still incur the farm hire fee together with food and drink costs.

Step 2: Add the Wedding Ceremony set up charge (if applicable)

We welcome humanist ceremonies, naming ceremonies and renewal of vows. The Wedding Ceremony set up charge is an additional charge for changing the room around from wedding ceremony to wedding breakfast. Basically after your ceremony, we will need a short period of time to prepare the room for your wedding breakfast. This time is perfect for welcome drinks, canapés, games on the lawn and photographs.

The Wedding Ceremony set up charge includes additional staff to remove straw bales and rows of chairs which were used for the ceremony including any additional ceremony décor and quickly setting the room up for your wedding breakfast.

The set up charge (in the wedding barn or outside): £400.00.

Step 3: Choose your canapés (optional) and a wedding breakfast package

At The Wellbeing Farm we are extremely proud to have an award-winning Cookery School and Family Butchers (which has been trading for 132 years) and we rear our own Wheatsheaf Farm lamb. Do you need further information?

We understand comparing venues is massively overwhelming, and can only imagine your head must be spinning by now. We know you will want to work out the total costs to your approximate budget, so to try and be helpful for you, we'd love to hear about your wedding plans over a drink at the farm thus giving us both the opportunity to discuss together and investigate how we can introduce the "wow" as part of your special day.

When we meet we can then offer you a **personalised quote based on your requirements**. We also hope that by visiting, you can fall in love with the farm as much as we have and other couples have done.
