Toast marshmallows and chestnuts around our fire pit

Complimentary 9-hole crazy golf

Case Study – Arthouse Ltd – Exclusive Christmas Party

Arthouse approached us to see if they could hire our Barn exclusively for their Christmas party. They were keen to incorporate a staff awards ceremony with a gourmet dining experience and barn dance.

Arthouse arrived by coach at 7pm to be greeted by glasses of champagne, bucks fizz and were served canapes in our Wheatsheaf Bar. They held a staff awards ceremony using a projector screen and speakers.

At 7.45pm we provided a full three course meal including roast ribeye of beef with Yorkshire pudding, honey glazed ham joints with a full array of seasonal vegetables and accompaniments. For desert we provided a Cake Cart full of local cakes with cheese and coffee served from our Lancashire Brew Station. Buckets of champagne, beer and wine were served on the tables to accompany their meal.

At midnight we served Whiteheads bacon rolls with a disco until 1am.

Testimonial

To Celia & all the team at The Wellbeing Farm,

Thank you so much for an amazing Christmas Party. All the staff had a great time!! It was fantastic hearing all their amazed reactions when they walked into the barn, they were all wowed by it all. The food was excellent and the staff were so attentive and helpful. As the organiser I could not fault a thing, it ran so smoothly which meant I could have a good time too!

Thank you for everything you've done and roll on next year!!!
