

Multicultural Weddings at The Wellbeing Farm

Here at The Wellbeing Farm we have fast become one of the best-known venues in the North West for our expertise in Weddings and Events.

We are proud of our immaculate attention to detail, exceptional service and extraordinary atmosphere and feel we can be the perfect venue to host your celebration.

We understand that your wedding should be a celebration of happiness and joy for both families. To assist and guide you throughout the planning process, you will have full support from one of our experienced Wedding & Events Coordinators. We will work with you to make sure your vision for the day is well and truly achieved - we're sure we can surpass the expectations of both you and your guests.

After the marriage ceremony, a sumptuous feast of colourful delights is served and music and dancing will follow and lead you all into the night.

We can accommodate functions for up to 270 guests (dependent upon requirements) in our stunning rustic barn area. The barn is fully heated (or cooled if you're lucky enough to bring great weather) and has its own PA system for any entertainment that you may have planned.

Included in the venue hire is the use of anything from our very own prop store where you will find almost everything you will need to decorate for your event. The Barn comes with its own entrance, toilets & kitchen facilities which are perfect for your chosen caterer (subject to our health and safety checks). If you haven't already chosen your own caterer we can recommend our finest chefs or recommended caterers to ensure outstanding food for your event.
