

Corporate Christmas Party

For your corporate Christmas party, why not hire The Wellbeing farm on an exclusive basis? We're perfect for corporate events, with enough space for up to 300 people, our very own kitchen, and a whole range of drinks and entertainment. Escape from the ordinary and celebrate the end of the working year with a magical Christmas event at the farm.

During the day you can entertain your crew with festive activities, designed with fun in mind, to bond, strengthen, and consolidate your team. We have ample space for a whole host of indoor and outdoor games, from 'It's a Knockout' style inflatables to a Christmas crazy golf course.

Mid-afternoon we have loads of space for mingling, cocktails, networking and end-of-year celebrations.

Into the evening we are open until 1am for your favourite Christmas songs, dancing, and dining with three fully licensed bars serving seasonal drinks!

Plenty of car parking, good transport links, and we're fully accessible.

Our Events Coordinators can assist in planning your Christmas party. Give us a call on 01204 852113 or email at info@thewellbeingfarm.co.uk so we can have a chat and get planning with you – you'd struggle to find something we can't do here!

Venue hire from £1500
