

Accommodation & Taxis

There is no need to worry about where to stay when you book your wedding or event at The Wellbeing Farm as we are literally surrounded by accommodation. With two wedding houses and over 9 accommodation providers within a five mile radius of the farm, from local B&B's to huge hotels, we have loads of opportunities on offer.

OUR WEDDING ACCOMMODATION

The Farmhouse - our new luxury on-site wedding house available on the morning and night of your wedding (subject to availability). Sleeps up to 6 people with three bedrooms, two bathrooms and a separate toilet, a fully equipped lounge and preparation area including Hollywood style mirrors and a fully equipped kitchen and breakfast area.

Barons Farm – complete with its own mature gardens including lake, tennis court and woodland area (the perfect spot for your photos!) – is available exclusively for use of our wedding couples. From giggles & prep with your wedding party the night before to cuddles & catch ups with your now official Other Half, Barons Farm can play host to it all. With 2 bedrooms plus lounge area there's plenty of space for a relaxed stress-free wedding morning. The bridal house can sleep up to 6 people and means you're just minutes away from The Farm.

Local B&B's and Self-Catering:

If you're looking for something else, below is a list of the many local hotels/B&B's that we recommend. Unfortunately we do not provide accommodation on site but we've searched high and low to find you the best local accommodation. Most of our recommendations are within 10 minutes of The Farm (the distance is shown in brackets) – great after you're worn out from drinking & dancing!

Travelling Home:

We've found the details of our preferred taxi companies for that time when you're feeling a little delicate after too much food, dancing & probably drinking! We have a great relationship with the local 'private hire service' and most can provide mini buses from 5 to 44 seats with prior notice.

In addition, we do lock the farm at night so cars can be left overnight in our secure carpark. Cars must be collected by 11am the next day so as not to disrupt or disturb any function or wedding which may occur the next day.
