

10 STEPS TO planning a wedding

01. Venue

Step one would be to look at all different venues and see which one best suits your personalities as a couple and what you want for the big day!

Determine a realistic budget early on to guide your decisions and avoid overspending.

02. Budget

03. Secure a date

If you have your heart set on a certain date, get it booked in as soon as possible and secure your registrar/celebrant (they get booked up fast!)

Send out your save the date as soon as possible. Guests love having time in advance to plan.

04. Send save the date

05. Pick your suppliers

Attend lots of wedding fairs to meet the correct suppliers for you! We do lots of showcases you can attend!

Having the correct menu for your wedding is essential! Decide whether you want a formal or relaxed vibe.

06. Choose your menu!

07. Collect guest dietaries

Collecting guest allergies and dietaries as soon as you can will ensure your Wedding Breakfast runs as smoothly as possible!

Choosing your décor and theme is so much FUN! Create mood boards, speak to your venue to see if they offer décor and enjoy it! It shouldn't be stressful.

08. Choose your decor/theme

09. Final checks

Double check that the final timings of your day and all the little details are exactly what you want!

Now the planning is done... Relax, get ready and prepare for your happily ever after!

10. Say 'I do'
